Reading lesson planning checklist

An original one-page planning tool for English reading lessons.

1 Define the outcome

What should students understand or be able to say at the end?

☐

2 Activate prior knowledge

Choose one short question or image linked to the reading topic.

☐

3 Guide the first reading

Set a gist task students can complete without a dictionary.

☐

4 Check deeper understanding

Add two evidence-based questions and one discussion prompt.

☐

5 Close and assess

Ask students for one takeaway and plan useful feedback.

☐

After teaching: two quick reflection questions

What worked for the learners? What will I change next time?
